September 2023 • Seventh Edition

The Friendly Sons of the Shillelagh of Ocean County

Brothers,

Well done!!! Our annual Irish Festival was a huge success! There was a lot going on simultaneously during the day, and all factions went exceptionally well despite the blistering heat and humidity. Much praise and many thanks are in order to all the team captains and most notably, my Co-chair, Tom Davies. Also deserving of recognition and gratitude are all the FSOS members who helped make this event a wonderful experience. The attendance was bountiful, and people seemed to keep coming in. One of the most important aspects of the day was recognizing our three main charities who were extremely grateful and thankful for our generosity.

We will have a profit and loss financial report at our September General Membership meeting which will reflect

areas of strength and where we can improve, and provide a better understanding of what went into running the entire day.

With the festival behind us, I certainly hope we don't relax when it comes to supporting the club's many activities that are planned for the upcoming months. The first will be our festival appreciation BBQ on Sunday, September 24th, the day before our General Membership meeting at the club. After that, Ken Brack, Bar Manager, has many events planned for October through the end of this year. So stay informed, stay focused, and continue to stay active with the club! We can only be as strong and successful as our members want us to be.

Slainte,

Charlie Schmitt 🍀
